Where's Knitty? We're right here!

When the pandemic hit, we all hit the pause button on our lives, to some extent. For us at Knitty, we (and the designers we work with) needed some extra time to pull our heads back together. That means that we've **bumped our deadlines forward** a bit.

So right this very minute, you can go to Knitty and enjoy our **two new First Fall Surprise patterns!**

Questions?

We keep a tidy FAQ [here](#) so you can find quick answers to your questions.

Which will you click on first?

Our next issue, Deep Fall, comes out in early October. And our Winter issue goes live in early January. Lots of Knitty to look forward to!

Are you wondering how we fund Knitty?

Since the fall of 2015, Knitty has almost entirely funded by our [Patrons](#). This system works because there are about 2900 people who are able to support us at whatever level feels financially right to them.

As you can imagine, we've lost some Patrons due to the financial situation caused by the Pandemic. We'd love you to [join us](#), if you are able to! **We really need you.**

We hope you enjoy these surprises, and maybe you might even consider submitting a pattern in the future! We love to

see the creativity of our readers! (Check out our [Submission Guidelines](#) for more information.)

Thanks for being part of the Knitty community! We're really glad you're with us.
