Ads load randomly and all ads receive equal exposure over time. **Your ad will continue to work for you, even when your issue is in the Library** (see Archived Issues on pg 2). You can provide up to 5 unique ad images to share your own space, each with their own URL, and feature a variety of products! We have lots of ideas about how you can best use this space.

TRY THIS! Build your own Issue Sponsorship co-op.

Assemble a group of up to 5 businesses to share the most visible space on Knitty! Simply provide us with artwork and a linking URL for each ad, and we'll take care of the rest. You and each of your partners will receive an equal share of exposure over time while splitting the cost of our most visible ad space between you and your fellow business owners.

Covet Central is Knitty's 24-hour shopping mall, optimized for mobile devices. Our readers visit this page specifically to shop and to see what's new. We slashed the price on this space to make advertising affordable for small businesses as a response to the fiscal challenges of the pandemic.

A Knitty Bizcard is the most affordable way to be seen by our readers at exactly the moment **they're interested and ready to buy!** Every time the page loads, the ads appear in a new random order, giving all advertisers equal exposure on all parts of the page over time. Your ad will continue to work for you, even when your issue is archived in the Library (see Archived Issues on pg 2). For Bizcard ads, booking is self-serve only (it's easy!).
